

Full-auto labeller fully automatic labelling machine    QIHE SMT technology

Model	QAULB41
Applicable PCB	50x50mm~320*500mm
XYmoving range	375mmx715mm
Z moving range	16mm
Placement head quantity	4
Mounting capability	9000pcs/h    Without vision 7000pcs/h    With vision
label size supply	MIN 3*3mm    MAX 40*40mm
Motor control scheme	Closed - loop stepping servo system
Feeders	3 pieces loading ability
Machine dimension	L850xW960xH1200mm
Vacuum pump quality	External air pump
Power supply	AC220V/
Average working Power	450W
Net weight	190KG
Packing size	1.4CBM

Operation

Label Feeder
